DEVOPS DAYS TAMPA BAY

DevOps Days is THE conference for the most passionate, forward-thinking software developers, IT professionals, and business stakeholders who are obsessed with DevOps practices and methodologies! It's where you'll connect with the brightest minds in tech, see innovative products, and push the limits of what's possible in software delivery. Join us for non-stop learning, improvement, and innovation, and geek out with like-minded tech enthusiasts who share your DevOps obsession!

FREE Access For UT Students
